Hi Ken,

I'm just writing to check in with you about EPA's tribal consultation request on the upcoming NPDES permit for Grand Coulee Dam. We sent a letter a few weeks ago requesting that Kalispel Tribe let us know if they were interested in tribal consultation by October 31, 2018. I had not heard anything from the Tribe. If you believe Kalispel Tribe is interested in tribal consultation on the dam, please feel free to let me know. I'll continue to keep you updated on the progress of the permits regardless of whether Kalispel Tribe is interested in formal consultation.
